A web gallery showcasing a numerically correct timeline, of the unique surrealism of Salvador Dali's artwork.
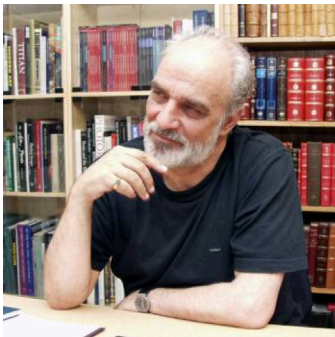

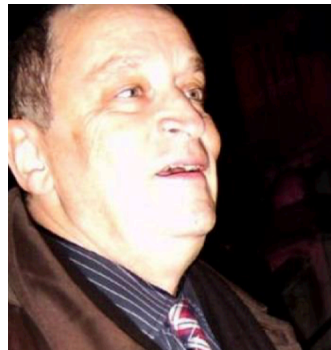

DalisArt.com will focus on displaying all of Salvador Dali's unique paintings in a timeline gallery. Expressing meaning behind the paintings and methods used to create such amazing pieces. This website will focus only on Dali's artwork, expressing also what was going on in that time that they were created. But it will include a secondary promotion to Dali's own web page. It will also include a place for comments to be shared for each painting.
